❖ Tube Lights (SKU #200631-XXX thru 200634-XXX)	❖ PAR Lights (SKU #180310 thru 180327)

² Excludes High Power Bulbs (Lamps) 130095-XXX and Wall Washers SKU#280066, 280068, 280069, 280074, 2801XX-XXX, 2802XX-XXX, 2803XX-XXX, 2804XX-XXX, 2805XX-XXX.

ONE (1) YEAR WARRANTY COVERAGE

When properly installed and under normal conditions of use, RVLT warrants solely to original end user ("Purchaser") of the RVLT LED Solid State Lighting Products listed below ("Product(s)") that Products, at the time of delivery to the Purchaser, will be free of defects in materials and workmanship. Based on proper application and use 18 hours per day/7 days per week, RVLT will, elect, in its sole discretion, to repair, replace, or provide a refund of product listed below upon verification of purchase, valid warranty period, proper use and handling, and proper warranty coverage as set forth herein for a period of ONE (1) year from the date of manufacture marked on the Product.

❖ Candelabras - Straight Taper/Flametip/Mini Globe	❖ Spotlights - E27/MR 11/MR 16³
❖ Accessories	

³ Excludes Spotlights SKU #170079 thru 170090, 170151 thru 170154

INCLUSIONS

If any Product covered by this warranty is returned by Purchaser in accordance with RVLT's terms and conditions, including without limitation its return authorization provisions, within the applicable warranty period set forth above, and upon examination RVLT determines to its satisfaction that such Product was defective in material or workmanship at the time of delivery to the Purchaser, RVLT will, at its option, repair or replace the Product or the defective part. "Defective" is considered if ten percent (10%) or more of LEDs, per product, are non-operating LEDs over the warranty period. If RVLT chooses to replace the Product and is not able to do so because it has been discontinued or is not available, RVLT may replace it with a comparable product. Where defects in materials, manufacturing or design cause the product/solution failure, they shall be repaired or replaced at RVLT discretion. Transport related damage is also included in this policy and should be redeemable through transport contracts. In any event, the user will not dispose of the claimed defective Product until the claim has been resolved. The Purchaser will promptly notify RVLT that either (a) RVLT is to repair or replace the Product at the user's cost, with the return to the user being freight collect; or (b) that RVLT is to dispose of the Product at the user's cost.

EXCLUSIONS

In addition to the Limitations and Conditions set forth below, RVLT will not repair, replace, or issue credit for any product failure caused by fire; misuse; mishandling; misapplication; accidents; abuse; neglect; vandalism; negligence; civil disturbances; corrosive environment installations; induced vibration; improper installation incurred by the Purchaser/installer; excessive heat (continuous or intermittent); Acts of God (such as lightning or fluctuations in electrical power); failure to follow installation, operating, maintenance, or environmental instructions provided by RVLT or applicable electrical codes; electrical supply conditions, including but not limited to supply spikes, EMI or other interference, overvoltage/under-voltage, and Ripple Current control systems that are beyond the specified limits of the products and those defined by relevant supply standards (e.g. EN 50160 norms); being put or used in operating in conditions/requirements other than those mentioned in respective product brochures or user manuals; or improper service or maintenance as determined by RVLT inspection upon return. Products that have been modified or have had the product label or serial number altered, defaced, or rendered illegible will not be covered.

LIMITATIONS AND CONDITIONS

Purchaser must notify RVLT in writing within 30 days of noticing the defect. RVLT reserves the right to make the final decision on the validity of any guarantee claim. Therefore, it is necessary to return the defective LED fixture, the driver or power supply, and/or the electronic control gear to RVLT for analysis. In the event that a product is misused or damaged by the customer prior to the expiration of the warranty period, RVLT disclaims all obligations under this warranty. Any physical damage, unapproved changes to the product, or defacing of labels on parts and components voids this warranty. Locally sourced or modified products must be approved, along with the supplier, by RVLT engineering members to be supported by this policy. If the supplier and/or product is not approved by RVLT engineering, then all warranty risks related to the product must be carried by the sales organization that sells the product. This warranty does not warrant consumables such as lamps, igniters, capacitors and other generally replaceable consumable items. Such items may carry a separate warranty which may differ from this policy.

RVLT is not responsible for replacement or credit of any RVLT products once the specified warranty period expires. Sales of regular, custom, semi-custom, or otherwise modified products are considered final at the point when the purchase order is submitted and received by RVLT. RVLT is not liable or responsible for excess, overage, or overstock products or associated fees for product ordered or received for specific companies, job sites, special or unique applications, or regular inventory stock. Exchanges, refunds, credit, or other reimbursements are not eligible for product that is functional and in good working order. Custom, semi-custom, and otherwise modified products are not eligible for exchanges, refunds, credit, or other reimbursements due to the specific, specialized, and/or non-standard nature of such products. RVLT is not responsible or liable through this warranty or other means for Product purchased as a result of product advice or assistance that RVLT provides as a courtesy (e.g. product suggestions from basic lighting layout services provided by RVLT).

The limited warranty and remedies set herein are exclusive and in lieu of all other warranties whether statutory, express or implied including all warranties of merchantability and fitness for particular purpose and all warranties arising from course of dealing or usage of trade. No person, agent, distributor, dealer, or company is authorized to change, modify, or extend the terms of this limited warranty in any manner whatsoever. This warranty is not transferable unless approved, in writing, by RVLT prior to any warranty claim. RVLT reserves the right to change the warranty period without prior notice and without incurring obligation and expressly disclaim all warranties not stated in this limited warranty. RVLT is not responsible or liable for costs associated with Product installation, service, maintenance, removal, re-installation labor, or other associated Product costs. In no event shall RVLT be liable for any other costs or damages, including lost profits, incidental, special or consequential loss or damage incurred by failure, and/or loss of use. **EXCEPT FOR THE FOREGOING, RVLT DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR USE OR FITNESS FOR A PARTICULAR PURPOSE.** Repair, replacement or refund as set forth in this Warranty is the sole and exclusive remedy under this Warranty or otherwise for Product defects.

HOW TO OBTAIN WARRANTY SERVICE

If the defective Product meets the conditions of this warranty policy, Purchaser will: 1) Contact original distributor/place of purchase to verify original purchase and date; 2) Obtain an RMA (Return Merchandise Authorization) number from original distributor/place of purchase; 3) Remove, package, and ship defective Product(s) prepaid to the RVLT or other facility designated on the RMA for inspection. Warranty coverage and replacement for defective Product(s) is provided after defective Product(s) has been received by RVLT by way of an appropriately completed and submitted RMA and is deemed defective after inspection by RVLT. RVLT covers the return shipping costs for RMAs provided that the product is proven defective during inspection.

Additional questions regarding this warranty should be directed to RVLT or Seesmart Customer Service at support@seesmartled.com or by phone at 805.578.2536.

Seesmart LED Lighting Product Limited 10 Year Warranty

Products Covered: G3 HP Tube Lights (SKU #2008XX-XXX)

COVERAGE

When properly installed and under normal conditions of use, RVLT (originally released under "Seesmart" brand name) warrants solely to original end user ("Purchaser") of the RVLT LED Solid State Lighting Products listed above ("Product(s)") that Products, at the time of delivery to the Purchaser, will be free of defects in materials and workmanship. Based on proper application and use 18 hours per day/7 days per week, RVLT will, elect, in its sole discretion, to repair, replace, or provide a refund of product upon verification of purchase, valid warranty period, proper use and handling, and proper warranty coverage as set forth herein for a period of ten (10) years from the date of manufacture of the Product marked on the product.

INCLUSIONS

If any Product covered by this warranty is returned by Purchaser in accordance with RVLT's terms and conditions, including without limitation its return authorization provisions, within the applicable warranty period set forth above, and upon examination RVLT determines to its satisfaction that such Product was defective in material or workmanship at the time of delivery to the Purchaser, RVLT will, at its option, repair or replace the Product or the defective part. "Defective" is considered if ten percent (10%) or more of LEDs, per product, are non-operating LEDs over the warranty period. If RVLT chooses to replace the Product and is not able to do so because it has been discontinued or is not available, RVLT may replace it with a comparable product. Where defects in materials, manufacturing or design cause the product/solution failure, they shall be repaired or replaced at RVLT discretion. Transport related damage is also included in this policy and should be redeemable through transport contracts. In any event, the user will not dispose of the claimed defective Product until the claim has been resolved. The Purchaser will promptly notify RVLT that either (a) RVLT is to repair or replace the Product at the user's cost, with the return to the user being freight collect; or (b) that RVLT is to dispose of the Product at the user's cost.

EXCLUSIONS

In addition to the Limitations and Conditions set forth below, RVLT will not repair, replace, or issue credit for any product failure caused by fire; misuse; mishandling; misapplication; accidents; abuse; neglect; vandalism; negligence; civil disturbances; corrosive environment installations; induced vibration; improper installation incurred by the Purchaser/installer; excessive heat (continuous or intermittent); Acts of God (such as lightning or fluctuations in electrical power); failure to follow installation, operating, maintenance, or environmental instructions provided by RVLT or applicable electrical codes; electrical supply conditions, including but not limited to supply spikes, EMI or other interference, overvoltage/under-voltage, and Ripple Current control systems that are beyond the specified limits of the products and those defined by relevant supply standards (e.g. EN 50160 norms); being put or used in operating in conditions/requirements other than those mentioned in respective product brochures or user manuals; or improper service or maintenance as determined by RVLT inspection upon return. Products that have been modified or have had the product label or serial number altered, defaced, or rendered illegible will not be covered.

LIMITATIONS AND CONDITIONS

Purchaser must notify RVLT in writing within 30 days of noticing the defect. RVLT reserves the right to make the final decision on the validity of any guarantee claim. Therefore, it is necessary to return the defective LED fixture, the driver or power supply, and/or the electronic control gear to RVLT for analysis. In the event that a product is misused or damaged by the customer prior to the expiration of the warranty period, RVLT disclaims all obligations under this warranty. Any physical damage, unapproved changes to the product, or defacing of labels on parts and components voids this warranty. Locally sourced or modified products must be approved, along with the supplier, by RVLT engineering members to be supported by this policy. If the supplier and/or product is not approved by RVLT engineering, then all warranty risks related to the product must be carried by the sales organization that sells the product. This warranty does not warrant consumables such as lamps, igniters, capacitors and other generally replaceable consumable items. Such items may carry a separate warranty which may differ from this policy.

RVLT is not responsible for replacement or credit of any RVLT products once the specified warranty period expires. Sales of regular, custom, semi-custom, or otherwise modified products are considered final at the point when the purchase order is submitted and received by RVLT. RVLT is not liable or responsible for excess, overage, or overstock products or associated fees for product ordered or received for specific companies, job sites, special or unique applications, or regular inventory stock. Exchanges, refunds, credit, or other reimbursements are not eligible for product that is functional and in good working order. Custom, semi-custom, and otherwise modified products are not eligible for exchanges, refunds, credit, or other reimbursements due to the specific, specialized, and/or non-standard nature of such products. RVLT is not responsible or liable through this warranty or other means for Product purchased as a result of product advice or assistance that RVLT provides as a courtesy (e.g. product suggestions from basic lighting layout services provided by RVLT).

The limited warranty and remedies set herein are exclusive and in lieu of all other warranties whether statutory, express or implied including all warranties of merchantability and fitness for particular purpose and all warranties arising from course of dealing or usage of trade. No person, agent, distributor, dealer, or company is authorized to change, modify, or extend the terms of this limited warranty in any manner whatsoever. This warranty is not transferable unless approved, in writing, by RVLT prior to any warranty claim. RVLT reserves the right to change the warranty period without prior notice and without incurring obligation and expressly disclaim all warranties not stated in this limited warranty. RVLT is not responsible or liable for costs associated with Product installation, service, maintenance, removal, re-installation labor, or other associated Product costs. In no event shall RVLT be liable for any other costs or damages, including lost profits, incidental, special or consequential loss or damage incurred by failure, and/or loss of use. **EXCEPT FOR THE FOREGOING, RVLT DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR USE OR FITNESS FOR A PARTICULAR PURPOSE.** Repair, replacement or refund as set forth in this Warranty is the sole and exclusive remedy under this Warranty or otherwise for Product defects.

HOW TO OBTAIN WARRANTY SERVICE

If the defective Product meets the conditions of this warranty policy, Purchaser will: 1) Contact original distributor/place of purchase to verify original purchase and date; 2) Obtain an RMA (Return Merchandise Authorization) number from original distributor/place of purchase; 3) Remove, package, and ship defective Product(s) prepaid to the RVLT or other facility designated on the RMA for inspection. Warranty coverage and replacement for defective Product(s) is provided after defective Product(s) has been received by RVLT by way of an appropriately completed and submitted RMA and is deemed defective after inspection by RVLT. RVLT covers the return shipping costs for RMAs provided that the product is proven defective during inspection.

Additional questions regarding this warranty should be directed to RVLT (Seesmart) Customer Service at support@seesmartled.com or by phone at 805.578.2536.
